Snow								
Coastal Flooding								
Risk Levels	Little to Nor	ne Minor		Moderate	Majo	jor Extreme		

- Showers and thunderstorms will become widespread on Thursday and Friday across the northern mountains, the entire Sierra range, and much of Southern Region
 - Heavy rain will be the biggest threat with these thunderstorms, and could cause mudslides/rockslides
 in the mountains, flash flooding, and impacts to recent burn scars, including the Apple/El Dorado,
 Tamarack, Slink, and Caldor burn scars
- Seasonable early August temperatures are expected for all areas through late week.

Precipitation Forecast

Important Note: Forecast precipitation amounts are an average for any particular location. Thunderstorms will produce locally much higher rainfall amounts.

Thursday Precipitation with recent burn scars overlaid. Some burn scars of concern include Apple/El Dorado, Tamarack, Slink, and Caldor.

Important Note: Forecast precipitation amounts are an average for any particular location. Thunderstorms will produce locally much higher rainfall amounts.

Green	Level 0	No Elevated Risk
Yellow	Level 1	Low Risk for those extremely sensitive to heat, especially those without effective cooling and/or adequate hydration
Orange	Level 2	Moderate Risk for those who are sensitive to heat, especially those without effective cooling and/or adequate hydration

Red	Level 3	High Risk for much of the population, especially those who are heat sensitive and those without effective cooling and/or adequate hydration
Magenta	Level 4	Very High Risk for the entire population due to long duration heat, with little to no relief overnight

Weather Outlook (6-14 Days)

Regional Operations Center
Western Region
Thursday, August 4

6-10 Day Outlook (August 9 – August 13)

Temperatures

 Near to below normal temperatures are favored across southeastern California, with above normal temperatures favored for the remainder of the state

Precipitation

 Above normal precipitation is favored over the interior and southern regions of the state as the monsoon weather pattern remains active

8-14 Day Outlook (August 11 – August 17)

Temperatures

 Near to below normal temperatures are favored across southeastern California, with above normal temperatures favored for the remainder of the state

Precipitation

 Above normal precipitation is slightly favored over the central and southern interior areas, and across southern regions of the state as the monsoon weather pattern remains active

SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Level 2	Normal Operations	Normal Operations

2022 May Monkeypox Virus

On August 1st, 2022 the Governor proclaimed a State of Emergency to support the State's response to Monkeypox. A copy of the proclamation can be found <u>here.</u>

The California Department of Public Health (CDPH) has activated the Medical and Health Coordination Center (MHCC) at Level 3 (low) in response to 2022 May Monkeypox Virus Event on 05/24/22; and increased the activation to Level 2 on 07/18/22.

• Hours of Operation: Monday to Friday, 0800 hours to 1700 hours until further notice.

Situation Cell Activation

• The Cal OES Situation Cell is activated to an Enhanced Watch posture for incident reporting on the Northern Region Lightning//McKinney Fire and Oak Fire.

Cal OES INLAND REGION

- · Please see Fire Activity Slides
- Please see attached Situation Cell Incident Reports for the McKinney Fire in Siskiyou County and the Oak Fire in Mariposa County.

Activations

- Inland REOC is activated at Level 2 Virtual in support of McKinney Fire in Siskiyou County and the Oak Fire in Mariposa County.
 - OP Period 0700-1900, IDO 1900-0700

Debris Flows and Flooding, Alpine County

On 8/3/22, a torrential rainstorm caused flash flooding and debris flows in Alpine County near Markleeville and over the Tamarack and Slink Fire burn scars. A section of Hwy 89 was damaged due to flood water and will be closed to all traffic from Turtle Rock Park to Markleeville until further notice. IDO and Senior ESC assigned to Alpine County are monitoring and supporting.

Cal OES COASTAL REGION

Nothing significant to report.

Cal OES SOUTHERN REGION

• County of San Diego proclaimed a local Public Health Emergency due to Monkeypox on 08/02/2022.

COVID-19 SUMMARY

Coronavirus Disease 2019 (COVID-19)

On 03/02/20 at 0700 hours, the Cal OES State Operations Center (SOC) activated in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

SMARTER Plan

On 02/17/22, Governor Newsom unveiled the "California SMARTER Plan: The Next Phase of California's COVID-19 Response". The plan emphasizes continued readiness, awareness and flexibility and helps ensure California can maintain its focus on communities that continue to be disproportionately impacted and stay prepared to swiftly and effectively respond to emerging COVID-19 variants and changing conditions.

CDPH Statewide Travel Advisory

For more information: CDC Travel Guidelines

Confirmed California COVID-19 Cases - Per California Department of Public Health Tracking COVID-19 as of 08/03/22 at 1630 hours:

- 9,983,370 total confirmed cases.
 - 111,440 Delta
- 92,889 total deaths.
 - 294 Delta
- Please see the most recent "Situation Report COVID-19" attachment for additional details.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Enforcement Missions

- 2022-LAW-80969 08/03/22 at 2118 Hours: Mariposa Sheriff's Office advised CSWC of a SAR request for a missing/at-risk 89 year old woman with Alzheimer's who had walked away from her residence mid-afternoon. Mariposa requested 20 Type II or III ground searchers and trailing K-9's to assist with the search. Request for FLIR equipped helicopter was unfilled as of 08/04/22 at 0100 hours by CANG JOC, with CHP was unable to fill earlier request. Fresno, Tuolumne, Stanislaus, Merced and Yosemite National Park/NPS contacted to fill the request. 0700 briefing at Mariposa Sheriff's Office. Mission On Going.
- 2022-LAW-80914 08/02/22 at 1513 Hours: AFRCC advised CSWC of a PLB activation, unknown emergency at 36.958630 -118.625579 which
 resolves to Fresno County, Kings Canyon National Park. Both AFRCC and IERCC were in contact with NPS Ranger dispatch who advised they
 would devise a plan to reach and contact device user. Update: 08/02/22 at 2027 Hours: AFRCC advised CSWC that NPS ground team which
 included a medic had made contact with PLB device user, and NPS team will remain overnight with the hiker. AFRCC closed out their mission.
 Mission Ongoing.
- 2022-LAW-80791: 2 boxes of DPH-CMD HT's, 10 iSat Sat Phones for the LE mutual aid. COMC delivered.
- 2022-LAW-80377: Humboldt County Sheriff's Office requested (2) SHRD k9's for LE sensitive investigation on 08/11/22. Woof and CARDA have accepted the mission and will respond on the 11th to an undisclosed location in Humboldt County. Mission Ongoing.

Cal OES MISSION TASKINGS

Cal OES Missions
CA-KNF-006177: 2 kits (20) Sonim phones, to be used on the McKinney Fire. COMC delivering.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
